We are limiting capacity in the building to 30 visitors an hour. To reduce gathering and lines, there will be two reservation slots available for up to fifteen visitors each hour for an hour-long stay in the galleries. Throughout the day, we will be sanitizing high-touch areas of the museum.
- **Ticketing system:** Timed tickets for visiting the Palmer will be made through Penn State's ticketmaster system. You will need to create a login and account if you do not already have one. Click the "Get Tickets" button above or the link below to get your free timed tickets. Note: on the screen that follows, click the "Continue" button to the right of the "Palmer Museum of Art timed entry" event to get started. You will also need to select your preferred electronic delivery method when checking out.

- **Social distancing:** Visitors must maintain a six-foot distance between others whenever possible. To ensure proper distancing we are limiting capacity to no more than 15 visitors per time ticketing interval.
